# WHEREVER SPANISH

¿WHAT IS “WHEREVER SPANISH”?

It is an essentially online **Spanish academy** that offers personalized classes adapted to the student’s needs

The academy offers a service that allows students to learn **anytime, anywhere, and in any way**

*If your goal is to enjoy Spanish and discover its culture in a simple, fun, and natural way, this is your academy!*

# METHODOLOGY

The school follows a **communicative approach**, based mainly on communication and the use of the language in real and authentic contexts.

Each class is personalized to fit the student's needs, preferences, and goals, and is taught individually (one-to-one).

In our classes, you'll learn to:

- explore cultural insights
- use practical and colloquial expressions
- expand your vocabulary through different topics
- enjoy short literary texts
- debate, reflect, and **engage in real conversations with native speakers**
